Goal*

This yearbook portrays those of us at Carter High School involved in the making of a successful 1968-69 school year. This year included guidance and counseling by an outstanding faculty and administration; participation in active organizations; enjoyment in many exciting sports; appreciation and happiness in student life; respect by striving underclassmen and the completion of a job well done by dignified seniors.

Everyone reaches for a goal in life and in doing so, we are moving FOREWORD.

BOARD OF EDUCATION—Jack Dunlop, Mrs. Henri L. Bromberg, Jr., Jerry D. Wheat, John Plath Green, Marvin H. Berkeley, President, Dr. Nolan Estes, Supt., Percy E. Luecke, Jr., M.D., Vice-President, Emmett J. Conrad, M.D., G. R. Hollingsworth, Sam R. Faris.

September 1, 1968, Dr. Nolan Estes assumed the duties as Superintendent of the Dallas Independent School District. During the past summer, Dr. Estes began planning the foundation for a successful school term.

In a private meeting at the School Administration Building, he heard Student Council representatives from the system's twenty-one High Schools give opinions of the good and bad of their schools. "They were most complimentary about their schools as well as informing me of some of the challenges ahead," Dr. Estes said at the conclusion of the meeting. The representatives talked generally about student activities, student participation, programs and auxiliary services.

Dr. Estes added that the suggestions for improvement were very constructive and helpful. He plans to establish monthly meetings with the Council representatives.

Mr. Harold Lichtenwald
Principal

Mr. Lichtenwald can easily be described as sincere, friendly and ambitious. This year, Carter received a high rating by a team of school evaluators. This was possible only by the successful guidance of a devoted principal. Sincere and ambitious in his efforts as principal, he has efficiently worked to make Carter the best high school in Dallas.

*Mr. Lloyd White
Assistant Principal*

Mr. White has served Carter as Assistant Principal for the past three years and has done an excellent job. He is a vivid supporter of student activities and works hard to make student life an easier life.

Counselors Give Needed Guidance

The success of the future lies in the hands of today's students. This is why it is so important to have the needed counseling that Carter's students find with their counselor. Having a sincere interest and genuine understanding, our counselors prove to be among the best.

Miss Scurlock starts the school year off by making changes in the schedules.

The Clerks and Secretary Provide Smooth Operations

The smooth operation of Carter as a school can be partly attributed to the excellent services of the I.B.M. clerk, secretary, and clerks. Keeping accurate accounts and up to date data are vital to proper school function. Realizing this, the secretary and clerks have successfully fulfilled their role in making Carter a better school.

Supply Basic Student Needs

Carter efficiency has really been achieved with the help of our librarians, nurse, and special teachers. With the help of qualified librarians our growing library has excelled rapidly. Mrs. McAllister, the school nurse, has helped to promote good health habits. Also, our special teachers have worked diligently to give special education students the education that is required.

English Promotes

The English department at David W. Carter can be accurately described as enthusiastic. The teachers have sought to promote the understanding of the language, grammatically and through literature. Hoping to increase the ability to fluently communicate, they have encouraged class debates, discussions, and other such methods.

Highlighting this year's activities was a field trip by the various English classes to see the world acclaimed Shakespearean tragedy, *Macbeth*, directed in the contemporary fashion of Mr. Paul Baker, famous for his acting and directing.

Social Studies Gives Knowledge of the Past and Understanding of the Future

Experiences of the past and present make for a better future only if one has a good understanding of those experiences. This has been the prime objective of the Social Studies department. Ever challenging the minds of their students, the teachers have sought to bring out the pupil's questions and answer them in the best possible way.

The responsibility and obligation to the pupils to teach them the truth and logic of the past has always demanded the best of qualified teachers. Their capability to answer the many "whys" that lie in the minds of the students has always led to general agreement that our Social Studies department is outstanding. Highlighting this year's activities were mock political party conventions, public opinion polls, legislatures, and a mock congress.

Devoted teachers plus ambitious students equals excellent results. This has been proven true many times in the Mathematics department. In this time of advanced technology, especially in the field of mathematics, there is a growing need for a superb knowledge of numbers.

In the past the math department of Carter has

proven its ability to produce fine students. From arithmetic to calculus the students have found it easy to acquire sufficient guidance and a genuine concern for the development of number sense. Because of the quality and sincerity of the teachers on the mathematics team it is easy to see why the Math department at Carter is the best!

Science Promotes Understanding of Man-Made Theories

Science has been described as a "huge mansion filled with many rooms with no doors all opening into a basic knowledge of science." Due to the fine quality of the instructors in the science department, this "basic knowledge" has been easily accessible

to the students.

This year's science activities were boosted by enthusiasm of the science club. A Science Fair served as an outlet for opportunity the students to extend their knowledge.

Languages Provide Bridges for Crossing Communication Barriers

To be able to speak more than one language is a mark of excellence. Striving for this goal, the instructors in Carter's language department have eagerly enhanced the understanding of foreign languages thus promoting an understanding of foreign customs.

The various language clubs have efficiently helped to develop a capability to hear, think, and to speak in a foreign tongue.

Fine Arts Promotes Appreciation of Culture

The Carter Arts department excels in speech, band, chorus, and orchestra. Always striving to promote appreciation of the arts, the department's students help to make a name for Carter. Tournaments and contests were attended throughout the year in an effort to expand Carter supremacy. Medals, trophies, and even scholarships are only a part of the reward in appreciation and promotion of the Arts.

Business Develops Skills of Commerce

To be able to sustain a strong business world, it takes qualified business personnel to fulfill the demanding positions in the world of trade and commerce. Realizing the importance of these qualifications, Carter's business department works hard to bring out the best in our future businessmen

and women.

From typing to shorthand business education is an investment in a stable economy. Enthusiastically meeting the standards of the business world, Carter's business department has proven its fine qualities.

Industrial Arts Produces Quality Craftsmanship

Many advantages are entailed in the practical application of Industrial Arts. Skill in manual labor, appreciation for well constructed projects, and a capability to evaluate quality of the manufactured world only serve to make a better to-

morrow. Quality craftsmanship is highly stressed and promoted by the qualified instructors in Carter's Industrial Arts Department. Only by skill and knowledge being put to practical use can blueprints become realities.

Girls Learn Fundamentals of Family Life

Students of Carter's home economics department are always on the go, learning how to sew, cook and budget. As the homemakers of the future, the students strive to learn and improve in the art of homemaking. From the "A-Line" dress to a casserole dinner, there are better homes tomorrow because of home economics today.

Physical Education and the R.O.T.C. Provide Fitness Both Physical and Mental

Physical fitness and mental accomplishment are highly stressed in Physical Education and in the R.O.T.C. Promoting fitness, morally, physically, and mentally, the R.O.T.C. and Physical Education staff have diligently supported the high standards set in both departments.

Study Halls Provide Atmosphere for Study

For quality performance one needs quality practice. For quality education one must study. Carter students have found it easy to have the needed tranquil atmosphere for study in their study halls.

With the aid of qualified guidance, the study halls have proven their value in the academic life of the student.

Who's Who

as won the right to the fruit . . .”

Ambitious is an adequate description of Doug Guinn. Doug is a Cadet Major in the R.O.T.C. and commander of the 21st R.O.T.C. Battalion. He is also a Blue Beret and a member of the Rifle Team. Doug's ambition has won him many awards. He was honored in the Veteran's Day assembly as he accepted the Legion of Valor Award being selected out of one hundred-sixteen schools in a five state area.

Also, Doug is a member of the German Club, Latin Club, and Chess Club. Accomplished as an excellent student and cadet, Doug is a complement to Carter.

For his many accomplishments, we recognize Doug Guinn.

Doug Guinn

Elaine Seibert

Reliable could be used as a synonym with the name, Elaine Seibert. Elaine moved to Dallas and to Carter as a junior and immediately accepted her role as a responsible student. She was an office assistant and a member of Spurs. She is now a member of the Y-Teens, Calicos and President of the German Club.

Furthermore, Elaine is a secretary to the National Honor Society and treasurer of the Student Council. During Youth Appreciation Week, Elaine was one of six students awarded the Optimists Citizenship Award.

For her eagerness to assist, we recognize Elaine Seibert.

Excellent is the proper word for Laurie Nipper. Laurie has certainly been a fine complement to Carter for her accomplishments. She is Editor-in-Chief of the Wrangler and won an award from Texas A&M on Journalism.

Laurie was one of Dallas' Top Teens and a member of the Spurs and Calicos. Also, she won a Bible award. Laurie generously contributed her talents to make Carter a better school and thus become an excellent student.

For her excellent qualities, we recognize Laurie Nipper.

Laurie Nipper

Lewis Chamberlain

Versatility is the chief factor in Lewis Chamberlain's student life. Academically and athletically accomplished, Lewis has set a challenging example to his fellow students. Lewis is a member of the National Honor Society.

Also Lewis played in the band as a sophomore, in the musical, "Music Man" as a junior, and as a senior he serves as Vice-President of his class. As an athlete he is on the Basketball team and the Golf team lettering as a sophomore.

For his versatility, we recognize Lewis Chamberlain.

Few people excel as a student as well as David Bourquin. A first class athlete, David was an outstanding football player and track participant. His perseverance and determination to be a success certainly paid off as he was chosen in his junior year for Honorable Mention on the All-City Football Team and as a senior, he was selected for the All-District, All-Metro, and All-State Football Teams. David has lettered in football for three years and lineman as a sophomore and outstanding lineman as a junior.

Furthermore, David was an active member of Red Cross, Student Council, and Key Club. He was on the B-Honor Roll and because of his scholastic and athletic abilities, David has received many awards and offers from several colleges.

For his many accomplishments, we recognize David Bourquin.

David Bourquin

Judy Ellis

Leadership is one of several good characteristics of Judy Ellis. Judy serves a three year member of the Calicos and a Lieutenant her senior year. Also she is President of the Y-Teens, Treasurer of her senior class, Red Cross representative, and Treasurer of Los Vaqueros. Leadership seems to be a habit with Judy.

Also Judy was a nominee for Junior Football Princess, a member of the Student Council, and the Art Club. Judy also took an active part in "Cinderella."

For her leadership as a student, we recognize Judy Ellis.

Few students are involved in student activities as Kathy Miars. Kathy is Editor-in-Chief of the 1969 Round-Up and a Lieutenant in the Calicos. She served on the Dallas Teen Council and exhibited many leadership qualities.

Also Kathy took part in "Cinderella" and was a member of the French Club, Y-Teens, Future Business Leaders of America, and Red Cross. She has played the organ here at school for numerous occasions.

For her interest and involvement, we recognize Kathy Miars.

Kathy Miars

Lanny Smith

Talented is a perfect adjective for Lanny Smith. So impressive is his talent that it will be long remembered. Lanny's abilities have earned him roles in the senior play for two years in a row, a role in a competitive one-act play cast, and of course participation in the talent show. Through his abilities, Lanny has won many awards in tournaments and in University Interscholastic League competition he has advanced to Regional competition.

Lanny has been an active member of National Thespians serving as treasurer as a junior and president during his senior year. He has also been on the Student Council.

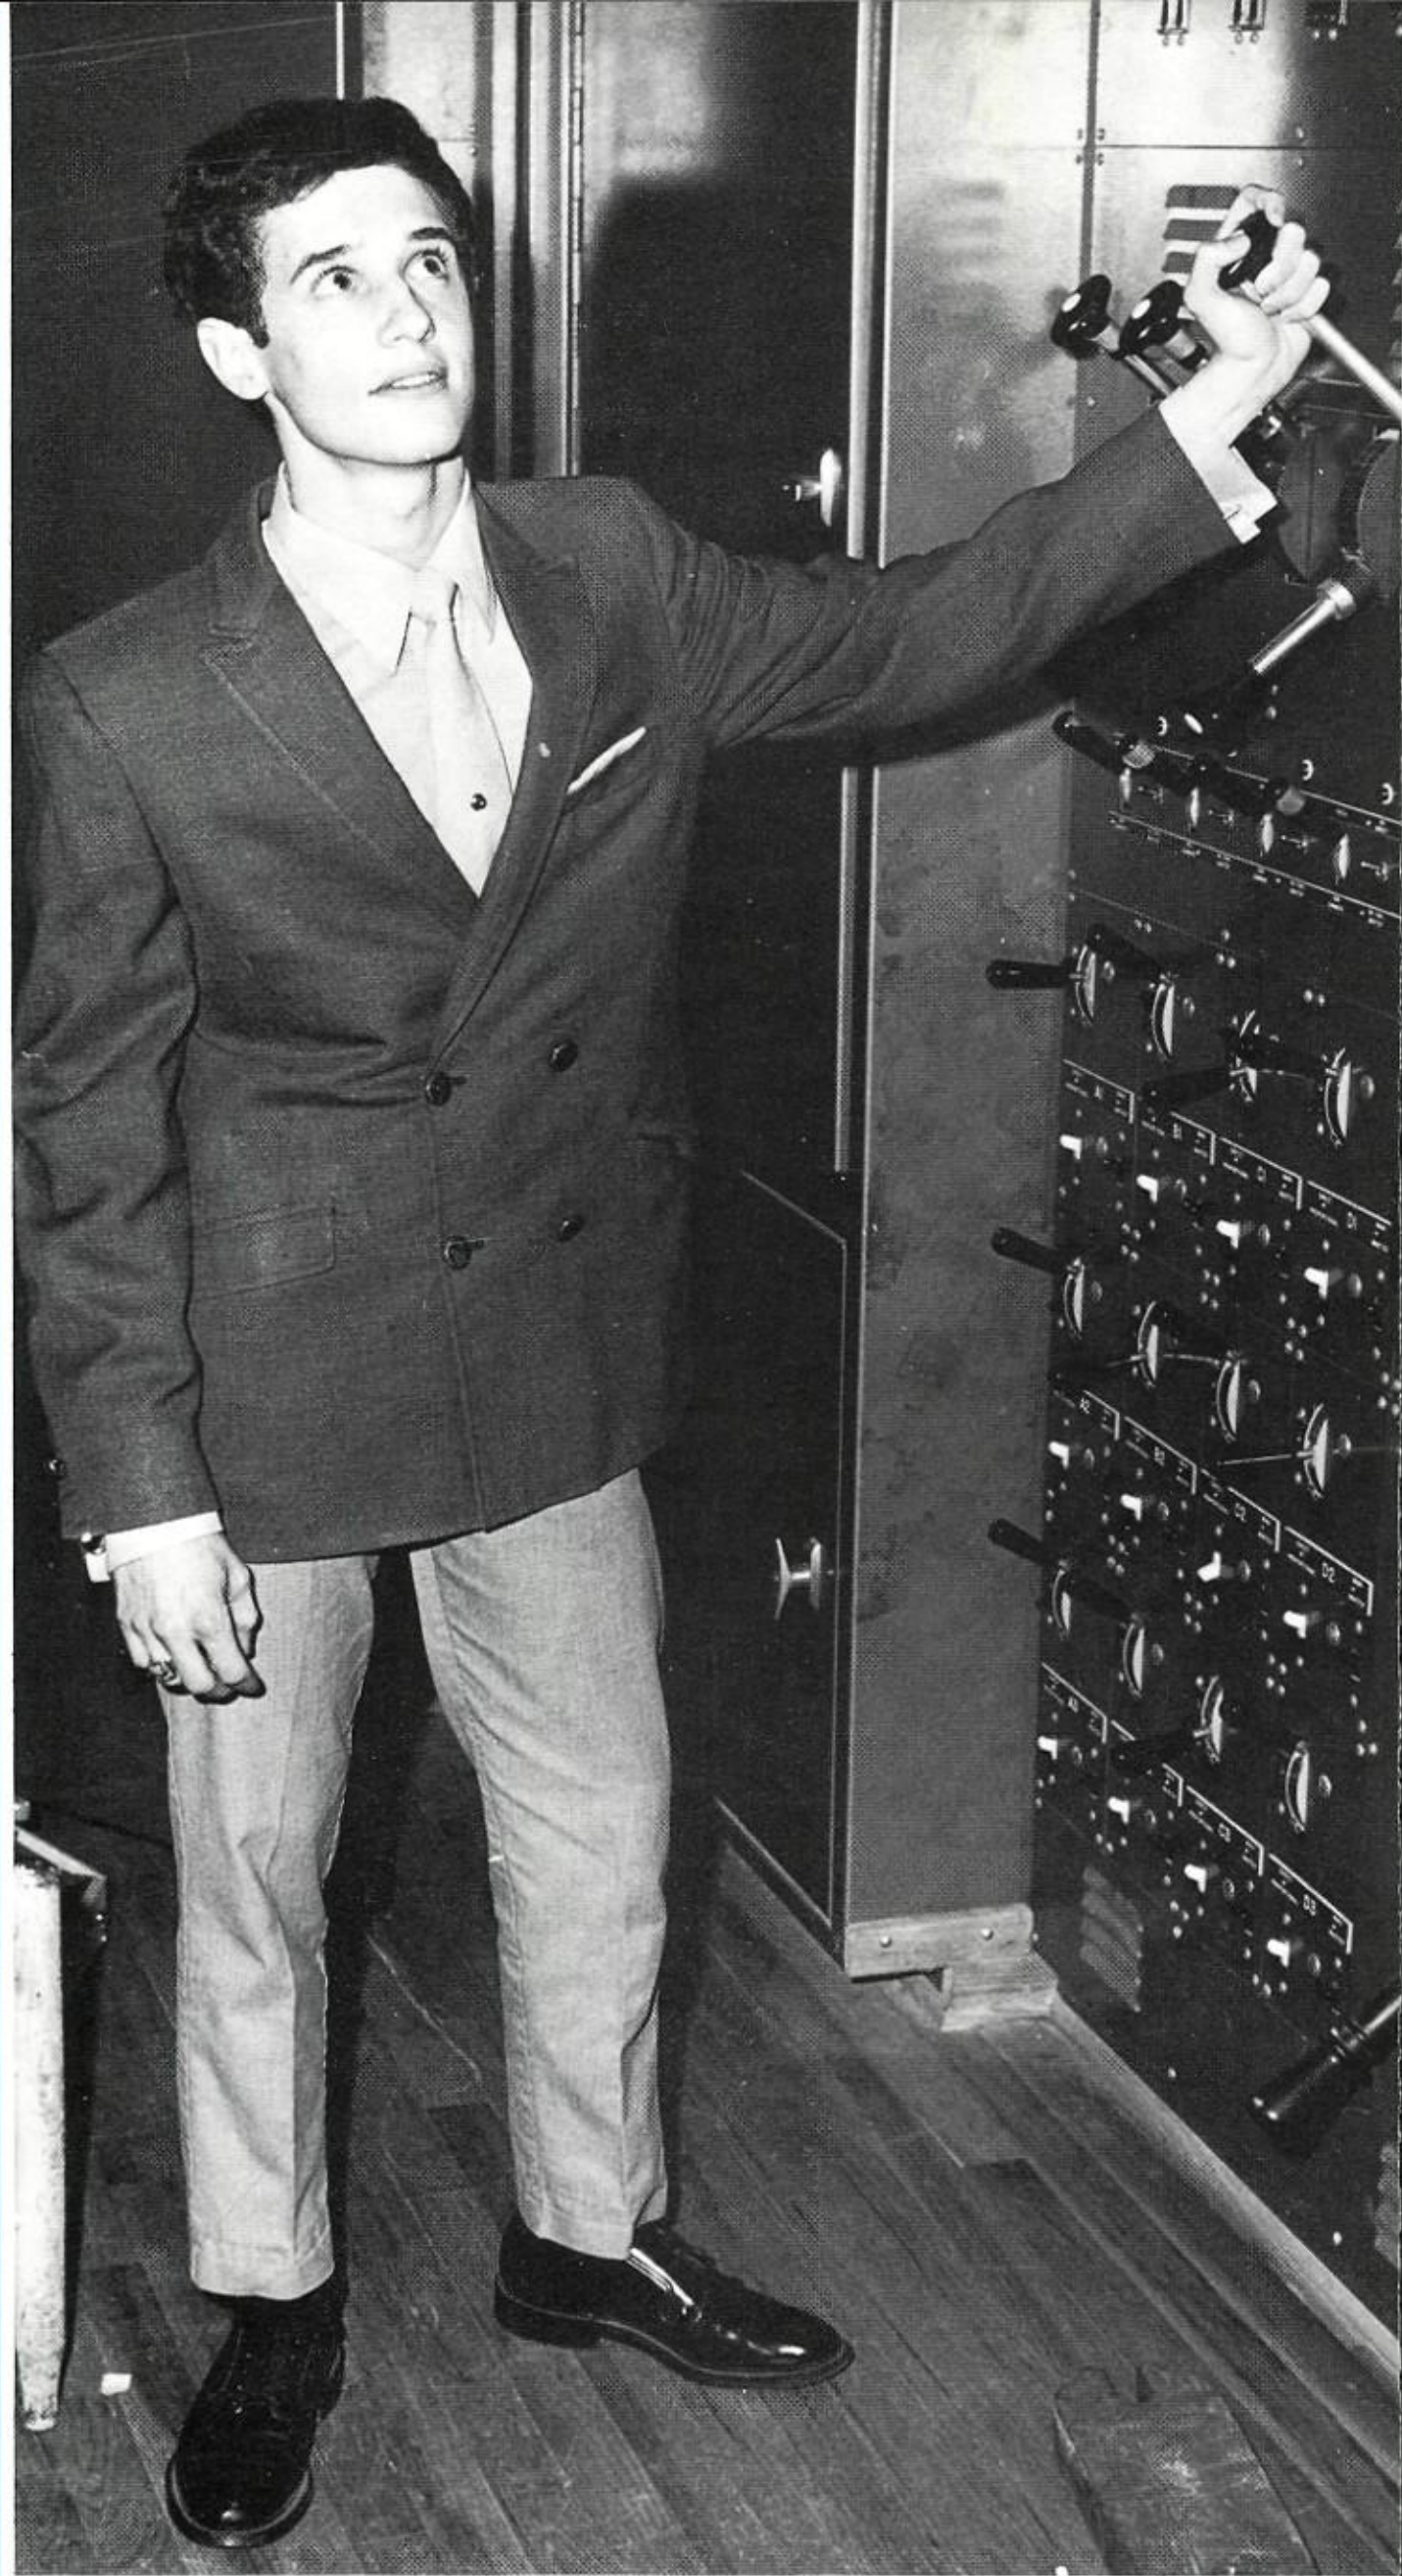

Lanny shall never be forgotten as one of Carter's most spirited cheerleaders. He was a cheerleader for two years and was a candidate for the National Cheerleader Association Summer Instructor program.

For his outstanding talent, we recognize Lanny Smith.

Artistic is definitely the right word for Jerry Hickey. His creative and artistic abilities have surely been apparent in many productions at Carter. As a sophomore, Jerry was the scenic and lighting designer for the musical, "Cinderella." As a junior, he was lighting designer for the musical, "Music Man," program and ticket designer for "Music Man," and lighting director for the one act play. As a senior, Jerry was set designer for the program presented to the State P.T.A. at Fair Park and on television, set and lighting designer for the senior play, "Send Me No Flowers." Also he was a member of the National Thespians.

Furthermore, Jerry won several awards for art work and was a student at the Art Museum. Jerry also served as President of the Art Service Club.

For his artistic abilities, we recognize Jerry Hickey.

Jerry Hickey

Pat McElreath

A majorette for three years, Pat McElreath has made herself a name at Carter. Pat participated in many excellent half-time shows as majorette. She was also chosen as a R.O.T.C. Sweetheart.

Pat is associated with the Student Council, French Club, and Y-Teens. Having helped to make Carter a better school, Pat will too be long remembered by Carter students.

For her assistance to Carter, we recognize Pat McElreath.

Carter has been exceptionally fortunate in having facilitated the musical talents of Linda Thrall. Linda has proven her musical inclination by being first chair trumpet for three years. She has been a member of the Dal-Hi Symphony for two years, the All Region Band for two years, the All-Senior band at East Texas State College her senior year, and a First-Division Winner at the City Solo Festival for three years.

Furthermore, Linda is a member of the German Club, and the National Honor Society. Linda has more than adequately served Carter and will long be remembered.

As a small token of gratitude, we recognize Linda Thrall.

Linda Thrall

John Dove

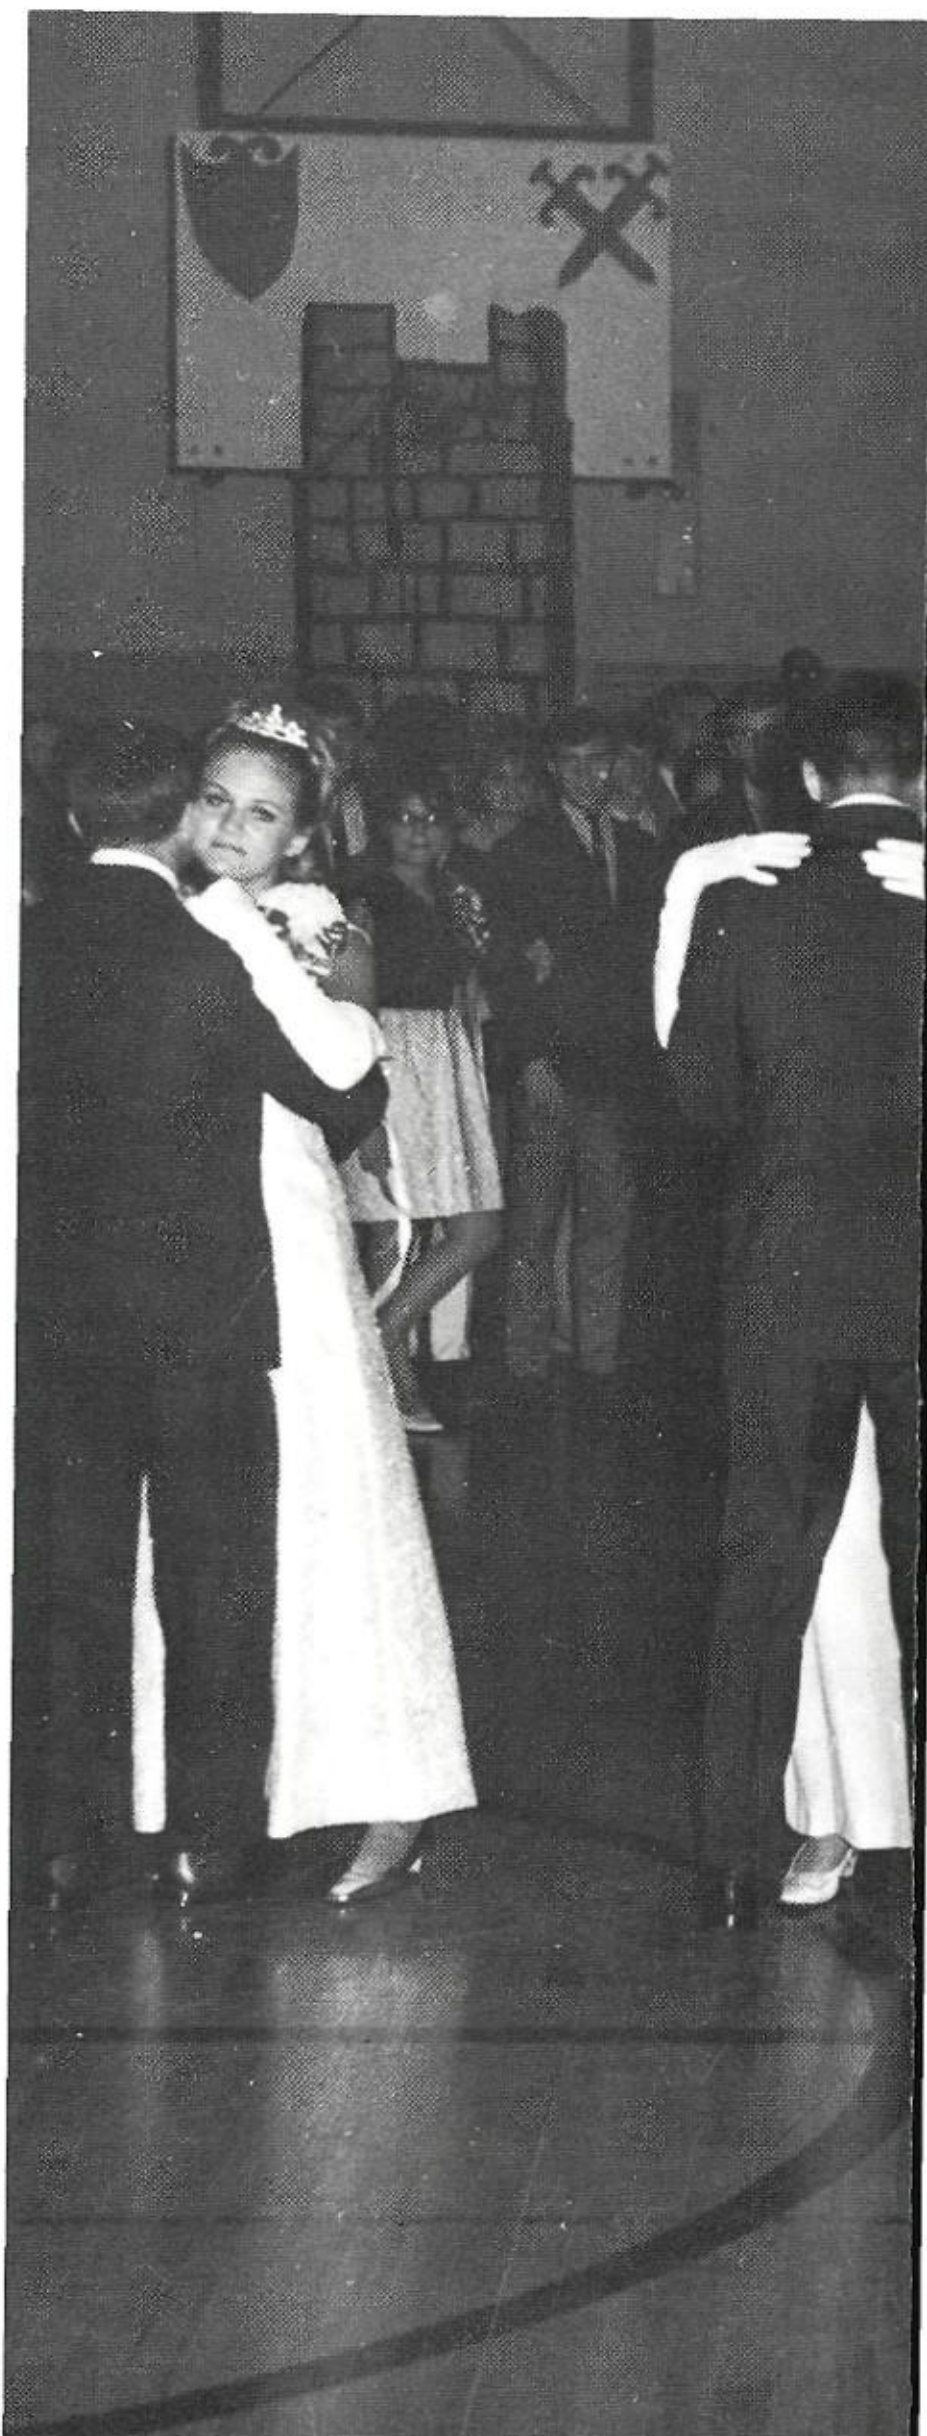

Capable is the appropriate description of John Dove. Musically inclined, John has been a member of the Chor- aliers for two years, a strong asset for the Folksingers club, and serving most cap- ably as student director of the Concert choir for two years.

John also won a role in the "Music Man" as a junior and as a senior was an un- derstudy for the senior play "Send Me No Flowers."

Furthermore, John has been in the R.O.T.C. pro- gram for two years and again his musical abilities came through as being cho- sen for the R.O.T.C. chorus.

For his capability, we rec- ognize John Dove.

"The virtue lies in the

Student Life

truggle, not in the prize."
Richard M. Milnes

Assemblies

Carter has been extremely fortunate to have the many inspiring assemblies she has enjoyed. The assemblies ranged from pep rallies to hearing singers, ex-convicts, ex-narcotic addicts, and medical service personnel.

Highlight the Year

Spirit is the key word in a Carter pep rally especially when the foundations tremble and building rocks for the Carter vs. Kimball football game. Inspiration is always accrued from guest speakers speaking on the social ills of our society and the problems that confront us as students and as individuals.

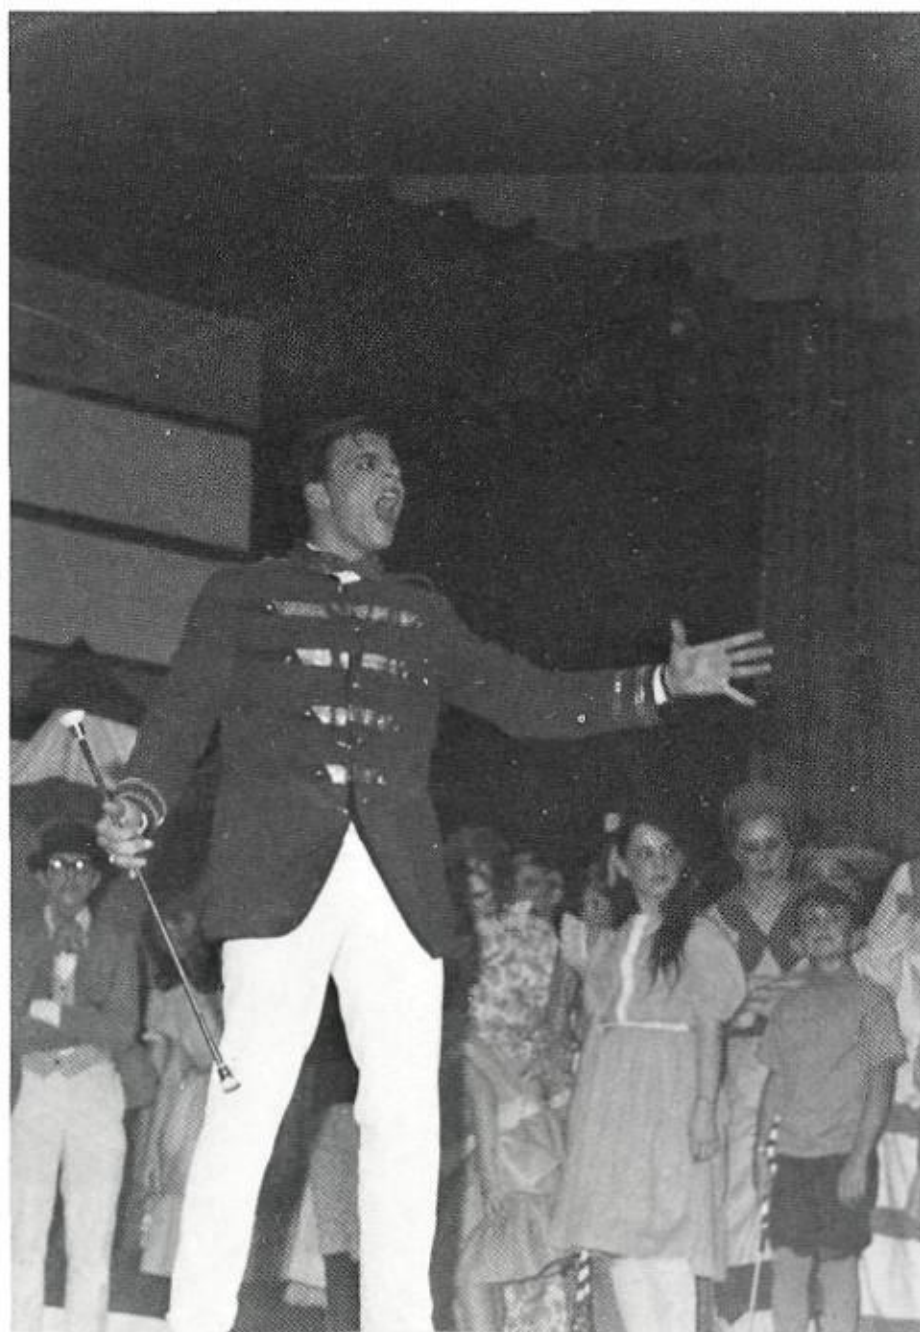

Carter can always be grateful for its assemblies.

"The Music Man"

Meridith Willson's musical "The Music Man" was given by the Concert Choir and Drama Department of David W. Carter during the season of 1967-1968.

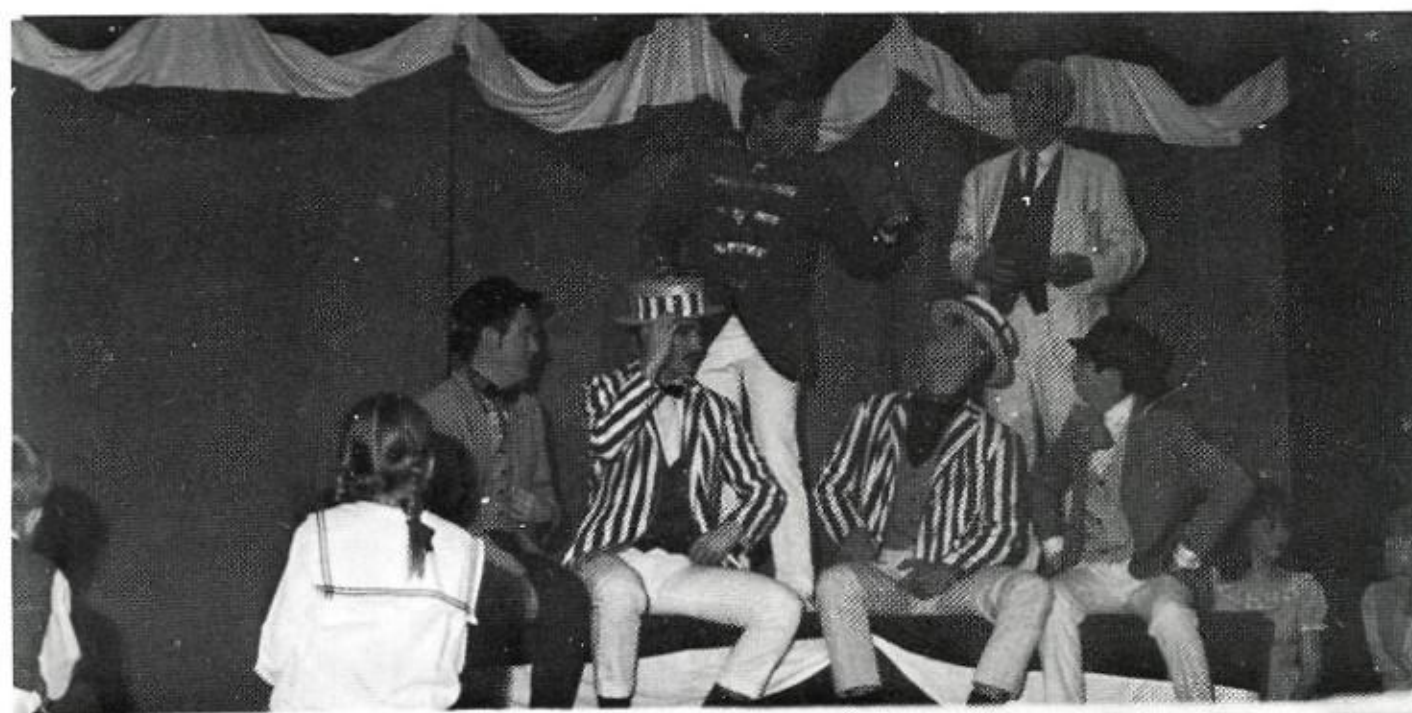

The musical's story itself is about a roving salesman who comes to River City, Iowa, to sell band instruments to all the children of the town. The man is a "fake" and knows nothing about music. Henceforth, he tries to collect money from the people for a band and keep the money for himself. The salesman, Harold Hill, falls in love with the librarian, Marian Paroo, and wishes now to give the people's money back to them and "go straight." The whole town is in an uproar over the incident but he explains everything and the story ends happily in peace and romance for Harold and Marian played by Ricky Hosford and Pat Dolleman.

The cast of the Music Man was:

Music Man	Ricky Hosford
Mariane Paroo	Pat Doleman
Mrs. Paroo	Sherry Rayner
Mr. Shinn	John Dove
Mrs. Shinn	Sharon Steck
Zaneeta Shinn	Mimi McCauley
Shellie Chancellor	Gracy Shinn

Senior Play . . . A Great Success!

The David W. Carter Drama Department presented "Send Me No Flowers," the Norman Barasch-Carrol Moore production of hilarity and comedy, for the annual senior play. Approximately 950 people attended this year's play, netting over \$350 for the senior class.

The entire play takes place in the living room of the Kimballs, a couple in their early forties. George Kimball, played by Lanny Smith, is a hypochondriac who believes he is going to die within a short time after overhearing Doctor Morrissey, played by Ricky Hosford, tell a doctor that one of his other patients is going to die.

Much hilarity is involved when George tries to plan the future for his wife, Judy, played by Brenda Paige, after he has died. The play proved to be a hit with everyone and was a great success.

Military Ball. 'A Burst of Spring'

The annual ROTC military ball is held normally in March, and is the culmination socially of the Corps' activities for the year.

The military ball is a pageant combined with dancing which is drawn from the rich heritage of the American Army, West Point, and military academies. The ball is the social event of the year, and is formal in nature, and gay in attitude.

Informal dancing takes place on completion of the cadets, guests and young ladies being introduced to the Senior Army Instructor and the Principal with their ladies in the receiving line.

Following the entertainment, the Sweethearts of the Corps are introduced individually, and they walk through an Honor Guard of cadets to the dais containing the throne for the Queen of the Military Ball.

Lovely Ladies Vie for Crown

Mock Western

... Shock of the Year

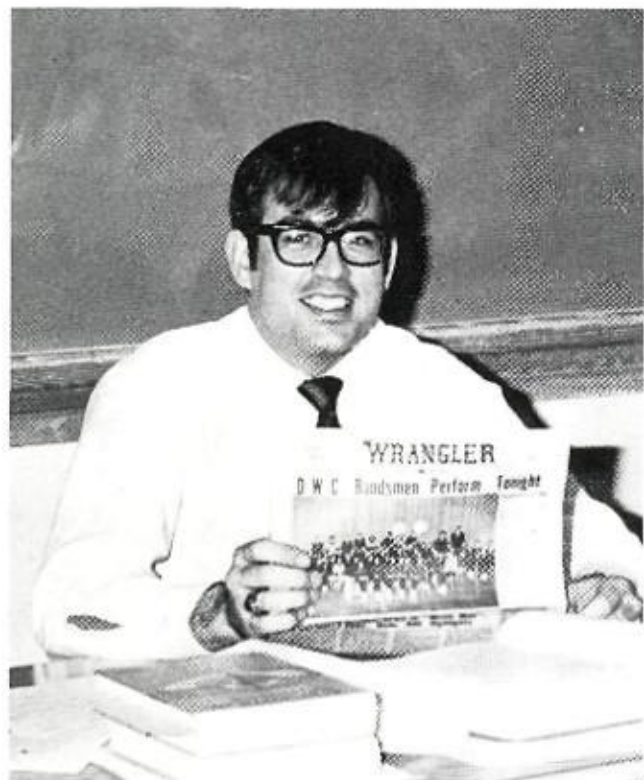

"I'll drink to that!!!"

The Drama Department here at Carter turned the auditorium into a saloon of the Old West in a town called Carter Gulch. The entire play was a satire filled with humorous mocking of events in Carter's student life. The town was under the leadership of Mayor Love-Em-All, portrayed by Guy Ames and Sheriff Wyatt, played by Steve Lowery, whose duty was to insure order, issue hall passes, and to make sure that all were assigned bathroom buddies. Fighting a never ending battle for chocolate milk, senior privileges, and library permits were the town drunk, Ricky Hosford; Hop Along Hominy, Bobby Clark; and his loyal horse, Grits, portrayed by Myra Weempe. The play was a great success as a humorous antidote for the problems of Carter student life.

Uh, Could we please have a hall pass?

The Senior class of 1969 sponsored one of the biggest events held at Carter this year. Students danced to the fab sounds of the Mystics from 7:30-11:30, February 21, 1969, in the girl's gym. The successful dance was held to raise money for the Senior gift to be presented at the close of the school year.

The Homecoming Scene

David W. Carter's first homecoming was a success.

The crowning of the homecoming queen and her court was the highlight of the evening. Afterwards, Carter students and returning alumni danced to the music of the Cornerstones. Many of the exes helped to make the evening a success.

Refreshments were served in the lunchroom. The dance was a Student Council function.

This year Carter is proud to have an outstanding Annual staff. Kathy Miars, Editor, attended workshops in August at Texas A&M and brought back many new ideas with her to put into use in this year's annual. In March the staff attended a convention in Austin at the University of Texas. At the convention they learned pointers to make a better yearbook. The new staff plans to attend workshops in this summer at A&M also.

To be on the Round-up Staff you must maintain a "B" average throughout the year. Each person is assigned a special task such as drawing layouts, taking pictures, copy writing, or typing triplicate copies.

1968-69 Wrangler Staff:

MISS ELAINE BURGESS Sponsor

Under the leadership of Miss Elaine Burges, the Wrangler staff undertakes the job of publishing Carter's newspaper. Hectic moments and rushed assignments are part of such a task. This year's staff also published Carter's first 8 page edition of the Wrangler. The Wrangler is a member of the student attended conferences at SMU, TCU, University of Texas, Texas A & M, and Baylor to gain a greater insight into the world of journalism.

N.H.S. Stimulates Academic Achievement

NATIONAL HONOR SOCIETY

Members of the National Honor Society are chosen by character, scholarship, leadership, service, and citizenship.

The officers of the Honor Society are: Gary Winborn, President; James Currie, Vice-President; Elaine Seibert, Secretary; Sherry Daniell, Treasurer.

This year the Honor Society sponsored a Teacher Appreciation tea which was enjoyed by all Carter teachers. Society members hosted and served refreshments throughout the day. The Honor Society also has begun a student tutoring service as a service to students and faculty of Carter. Honor Society students have offered their aid to any interested student whom they may help academically. Many Honor Society members recently took the PSAT scholastic test, enabling them to compete for scholarships and gain an idea of their preparedness for the SAT.

We initiated new members into the Honor Society in the spring of 1969.

Mr. Lichtenwald,
Thank you very much
for the guidance that you
have given me throughout
the year in Student Council.
My three years at Carter
have been the most important
ones in my life. Thank
you for being dedicated
to helping people like me.

With respect,
Randy Nif

Y-Teens Promote Humanities

Y-Teens is an organization in which girls work together and grow in understanding of God and fellowship. There are many activities in which they take part in.

This year they took a group of blind children to Six Flags. A rummage sale was held at the YWCA on Hampton for which all the Y-Teens contributed clothing and household items to be sold. Y-Teen volunteers worked at the World Fellowship. Money was raised to help girls in Germany who were unable to get an education. Each Y-Teen branch had a different country to help. They also had "Christmas for others," in which they took toys to little children and gave a party for them. In addition, one project is planned for each month in order to help others.

Student Council Sets the Pace at Carter

The David W. Carter Student Council was established for the purpose of governing the student body. At the beginning of each school year, one boy and girl are selected to represent each homeroom. The Student Council serves its school, friends, faculty, and city. In serving the city, some Council members took canned goods to needy families for Thanksgiving. The Student Council was also responsible for getting the "Evaluation" program underway. Both the Homecoming and Spring Formal dances were sponsored by the Student Council: the money for the combo, food, and decorations being taken out of the Council Treasury. Each year the Student Council puts out the new Student Directory. Also, they are responsible for making up the Orientation program for the "new" Sophomores. These duties of the Student Council are important to a successful school year at David W. Carter High School.

Flag Patrol Serve Actively

The entire unit of the ROTC is considered a part of the flag patrol. The five companies alternate each week to raise and lower the flag each day. Among other duties the flag patrol is in charge of the halls during the lunch periods.

Projectionists Aid Audio-Visual Program

The projectionists of David W. Carter are a valuable service to both students and teachers. Each projectionist is trained in many skills which enable the audio-visual program of the school to run smoothly. In addition to showing films and filmstrips, they are responsible for processing the materials when they arrive, and for returning them to the central Audio-Visual Library. They are instrumental in keeping the equipment and Audio-Visual room in excellent condition for all to use.

We all are greatly indebted to these boys who voluntarily gives of their time and effort in our behalf.

Art Service Club Devotes Talent

The Art Service Club has been carrying out its purpose by providing service to the school in the area of Art. The members are provided the opportunity for gaining and applying both aesthetic and technical knowledge about art.

In the beginning of the year the club went on a field trip to the Dallas Museum of Fine Arts. The exhibit was of the Southwest Crafts Show. Excellent examples of crafts were displayed by artists of the Southwest.

The Art Club also planned and worked very hard on the scenery for the Senior Play. The members devoted much of their extra time after school to work on the scenery.

The musical was the next on their list. Many other projects and activities are being planned for the future.

Cowboy Band — Vita

The Cowboy Band performed at pep assemblies and at halftime shows at each football game. In addition they performed each time the ROTC presented special programs and at the Thanksgiving Day Parade. At Christmas time the Band gave a program which was presented to the student body.

On February 28th they gave a concert in combination with the Atwell Band. The bands played two numbers together and then each played three individual pieces.

Also on April 5th the Cowboy Band presented another concert with a special guest star. In May they hosted the Band Festival.

THE FABULOUS 1968-69 CALICOS

The Calicos were a major part of the Carter Cowboy's 1968-69 football season. The drill team performed at every Cowboy football game of the season, and at three pep assemblies. A lot of hard work went into each one of the performances.

The Calicos participated in various activities after football season ended. The drill team worked with the R.O.T.C. in presenting several flag-raising ceremonies and Veteran's Day assembly. The 68-69 Calicos' final performance was the spring training game at the end of the school year. It was a farewell performance for the Senior Calicos, and a welcome to the 69-70 Calicos.

Tryouts for the 69-70 Calicos started on December 2. The final tryout was held December 12. Out of 130 girls who tried out, 74 girls were chosen for next year's drill team. Officer tryouts followed, to select a group of new officers for next year.

Spurs Spur the Cowboys

The Spurs consists of junior and sophomore girls whose goal is to promote school spirit. They can be recognized by their white cowboy hats, white blouses, red sweaters, blue skirts, white gloves, and red tennis shoes (which can faintly be heard squeaking down the halls.) The organization was distinguished at the football games by the uniforms and the red and blue colored pompons waving in the air. This being the third year of this organization, the spurs doubled their squad. By increasing the colors of the stunt cards this year to four, there are now 12 different skits. This year two new skits were added.

One of the highlights of the year was the "chicken and chips" picnic at Kiest Park in September. The purpose of this special meeting was to discuss the uniforms and to inform new members of the rules and regulations.

Choir Develops Vocal Abilities

The David W. Carter Concert Choir is a group of students, under the direction of Mr. Talmage Upchurch, who serve the school and its varied activities with their singing voices. Some of these activities include assemblies, PTA meetings, talent shows, the city wide choir festival, and the Christmas program. The climax of the year's work is the annual spring musical in which the whole choir as well as the stars takes part.

Membership in the choir involves plenty of hard work—daily practice and extra rehearsals before a performance. It's work, but also plenty of fun, and the pride that comes from a job well done.

Most members received letter sweaters just before Christmas to strengthen the concept of the choir as an active part of Carter life. The Carter choir is a fine group in which everyone can be proud.

Members of the Concert Choir are: Doug Briggs, David Cain, John Dove, William Franklin, Ricky Hosford, Paul James, John Lively, Kenneth Mize, David Plexco, Charles Starr, Kathy Broyles, Janis Campbell, Shellie Chancellor, Patty Cody, Nancy Coke, Vickie Cruse, Becky Davis, Pam Dickerson, Pam Edwards, Judy Gamblin, Kathy Gould, Carolyn Harris, Nancy Heard, Connie Hulen, Deloris James, Linda Langston, Linda Martin, Susan McLean, Nancy Mest, Barbara Moorehead, Grace Nelson, Joan Nelson, Adella Poovey, Jan Rayner, Debra Reynolds, Patti Sigut, Jackie Slinkard, Debra Smith—accompanist, Nancy Smith, Gayle Stowell, Susan Stutts, Cheryl Swalin, Judy Terry, Brenda Vanderpool, Corliss West, Martha Williams, Susan Wolfe, Fay Wright.

Also on the program Corliss West sang a solo "O Holy Night" and Ricky Hosford and Gail Stutts sang a duet. All chorus classes participated in the Christmas assembly.

Members of the Latin Club broaden their knowledge of ancient Greece and Rome through the study of Latin.

The colors of the Latin Club are purple and gold; the symbol is a torch. Latin Club students are also members of the Texas Classical League and the American Classical League. The officers are Sharon Lusk, president, Carel Carpenter and Wanda Guinn, vice-presidents, Stan Keeton, secretary, and Retha Smith, Treasurer.

The first big activity of the Latin Club was the initiation of the sophomores joining the club. It was held at the Pizza Inn, and the initiates came wearing togas. At Thanksgiving the Club provided food for a needy family. The members had a Christmas party at Carel Carpenter's home. They also made decoration for the Christmas tour at the Miars' home.

Los Vaqueros Club

Secretary Sherry Daniell reads the minutes of the former meeting.

Los Vaqueros initiated new officers at their annual banquet.

Los Vaqueros, David W. Carter's Spanish Club, is a member of the Pan American Student Forum. Last year Los Vaqueros along with others in the Dallas district built a road in Peru. This year for some of our moneymaking activities, Los Vaqueros had bake sales, collected Green Stamps, sold Christmas Cards, collected Coke bottles, and washed an airplane. This year the club is planning on establishing a Spanish Honor Society. At the end of the year the club will elect several outstanding members of the club.

Each year the club holds a banquet in the spring. At this banquet the new officers are initiated.

The first Tuesday of every month is our business meeting. The third Thursday is the program meeting. At the program meetings we have guest speakers and programs to further our understanding and knowledge of Peru.

One of the highlights of the year is the state convention held in Austin. Only 15 members of Los Vaqueros may attend. At the Convention everyone attends workshops and meetings and we elect new state officers.

The Reserve Officers Training Corps (ROTC) is a full time program in the curriculum of David W. Carter High, and provides a yearly 3/4 credit to participating students.

The Corps is organized under the unit title of the 21st Battalion, 1st Cadet Brigade of the Dallas Independent School District. Within the 21st Battalion, there are five companies, each company attending a daily class period, plus a Battalion Headquarters made up of the Battalion Commander and his staff.

The purpose of the ROTC program is that the Department of the Army maintains liaison with educational institutions, conducts basic military training programs, stimulates interest in military careers, promotes appreciation of the Army as a Service, encourages participation in reserve components of the Army of the United States and assists the institution in the development of the student towards maturity.

Cadet Major Guinn received two high awards for his performance in the Corps and his high academic rating for the school year 1967-69: *The Award of the Legion of Valor Cross for Achievement*, presented by the Legion of Valor of the United States, Inc. and *The Sons of the American Revolution Medal of Honor*, presented by the Sons of the American Revolution. Cowboys Ride Broncs, 21-7

Our Cowboys started off the season with a hard-fought victory over the Denton Broncos. Dennis Ladd started the Cowboys on their way to victory with a seven yard touchdown the second play the Cowboys had the ball. With only a few seconds left on the clock, Stanley Murray scored the final touchdown of the first half on a play from 4 yards out. The only Bronco touchdown came late in the third quarter on a freakish play in which the left end picked up a fumble and scrambled into the end zone. The final touchdown came late in the fourth quarter when Kearney Padgett sprinted into the end zone on a quick play up the middle.

Cowboys Make Kittens Out of Leopards, *35-12*

Carter increased its record to 2-0 by defeating the Adamson Leopards 35-12. Carter scored first after a 12 yard run by Steve Starnes in the first five minutes of play. Adamson came right back 10 plays later with a 190 yard touchdown pass. The final touchdown of the first half was made by a Janosko to Jerry Worley pass from 16 yards out. The score at half time was 14-6. The defense scored the next two Carter touchdowns. After Tim Cappelli broke through the line to block a punt, Larry Worley scooped up the ball on the Adamson 30 and raced into the end zone standing up. Janosko, who played defensive safety, intercepted a pass on his own 20 and scampered 80 yards for the next Carter touchdown. This came after Adamson had scored their final touchdown of the night on a short pass play. The final Cowboy touchdown came on a 3-yard plunge by Joe Drumwright, following a fumble recovery at the Adamson 15. Robert Acuff converted all extra points for Carter.

Cowboys Lasso Mustangs, 21-6

After being hit hard Dennis Ladd manages to fight for extra yard.

Our Cowboys increased their record to 3-0 by defeating the Roosevelt Mustangs, 21-6. The first Carter score came on a four yard plunge by Bobby Clark to end the first Cowboy drive of 80 yards. The second Cowboy touchdown was made midway in the second quarter as Ken Janosko stepped over the goal line from one yard out to make the score 14-0. The lone Mustang touchdown came on a long pass play right before half time to make the score 14-6. Steve Starnes capped the Carter win in the third period by blocking a Roosevelt punt and then running for the score in the next series of downs. Robert Acuff converted all extra point attempts. Outstanding players of the game were Dennis Ladd, Steve Starnes, David Bourquin, Jerry Worley, Steve Anderson, Tim Cappelli, Larry Worley, and George Shawver.

Cowboys Bury Gophers, 21-0

Starnes slices through the line for a big gain.

The cameras of KDTV, Channel 39 of Dallas, did not make the Cowboys nervous or gun shy as they blanked the Grand Prairie Gophers 21-0 in the Gopher Bowl. Quarterback Ken Janosko made an impressive showing as he threw passes totaling more than 200 yards. His first pass of the night was to Kearney Padgett, who scampered 79 yards for the first Carter score. Robert Acuff kicked the extra point as he did all three times. The next Carter Cowboy score came in the second quarter as Janosko's magic arm did it again on a short pass play to Steve Starnes. Even though the play was for short yardage, Starnes fooled everyone and raced 59 yards for the 6 points. Carter's final injury to Grand Prairie came late in the game when Janosko sprinted 35 yards for the score. Outstanding players of the game were Ken Janosko, Steve Starnes, Kearney Padgett, Harry Laird, David Bourquin, Steve Anderson, Don Blackwood, and Rocky Saldana.

Coach Couch gives instructions for coming set of downs.

Following the best pep assembly Carter had in three years, the Golden Bears of South Oak Cliff beat our Cowboys, 35-0. At that time, the Dallas Morning News ranked SOC number one in the State. Carter went out onto the field with the determination of a winning team and fought hard throughout the game. All of SOC's touchdowns came on long passes or runs, which proves the Carter defense played a tough game.

Carter Leashes ND Bulldogs

Under the lights of the Cotton Bowl on Fair Day, Carter beat the North Dallas Bulldogs, 42-19. After its loss to SOC, Carter made a great come-back by physically and mentally whipping North Dallas. Carter's first and second touchdowns were made by quarterback Ken Janosko. Dennis Ladd, Carter's hard-running fullback scored the next two Cowboy touchdowns. Jerry Worley made the next Carter touchdown followed by the final Carter touchdown by No. 2 quarterback Joe Drumwright. The Cowboys kept the Bulldogs scoreless in the first and third quarters. The only Bulldog touchdowns came later in the second and fourth quarters. Leaders in the Carter game were Dennis Ladd in rushing, Joe Drumwright in passing, and Jerry Worley in receiving.

Carter Chops Washington's Tree, 61-13

The Pleasant Grove Stadium turned out to be a "pleasant" place for the Cowboys as they walloped Booker T. Washington, 61-13. Quarterback Ken Janosko gave an outstanding performance as he ran for four touchdowns and passed for two more. He started things off with a 1 yard run. Steve Starnes made the second Carter touchdown on a 12-yard run around right end. Starnes, on the next series of downs, caught a 31 yard pass from Janosko for the 6 points. With 5 seconds left in the first quarter, Tim Cappelli recovered a fumble on the Washington 14 yard line and set up the next Carter touchdown which was made 2 plays later by Janosko. After the Bulldogs made their initial score, Janosko countered with a 24 yard scoring sweep. Washington came back with a 19-yard scoring pass, but Janosko nullified that with a 33-yard scoring toss to Don Blackwood. With 2:32 left in the 2nd period, Bruce Hines broke through for 18 yards and a Cowboy touchdown, and two minutes later Janosko returned a punt 49 yards for the final Carter touchdown of the first half, which made the score 55-13 at halftime. The final Carter 6-pointer was made by Bobby Clark in the third period from 14 yards out. Robert Acuff booted 7 PAT's in 9 attempts.

Sunset Defeats Carter, 33-16

The Sunset Bisons defeated our Cowboys, 33-16, in a hard fought battle which was to put both teams in a third place tie to this point in the season for the south zone crown. Carter did not score until the fourth quarter when Gary McKeever intercepted a Bison pass and scampered 41 yards for the initial Cowboy touchdown. The final Cowboy touchdown was made by Steve Starnes after receiving a Joe Drumwright pass late in the fourth period. Starnes converted both 2 point attempts. Sunset scored on pass plays of 42 and 24 yards. The other three Bison scores were made on running plays of lengths 30, 34 and 4 yards. Carter played a really fine game, and it deserves recognition as a great ball club.

Cowboys huddle for last minute advice.

Cowboys Dawn on Knights,

42-7

Cowboy defense does great job of stopping the Knight offense.

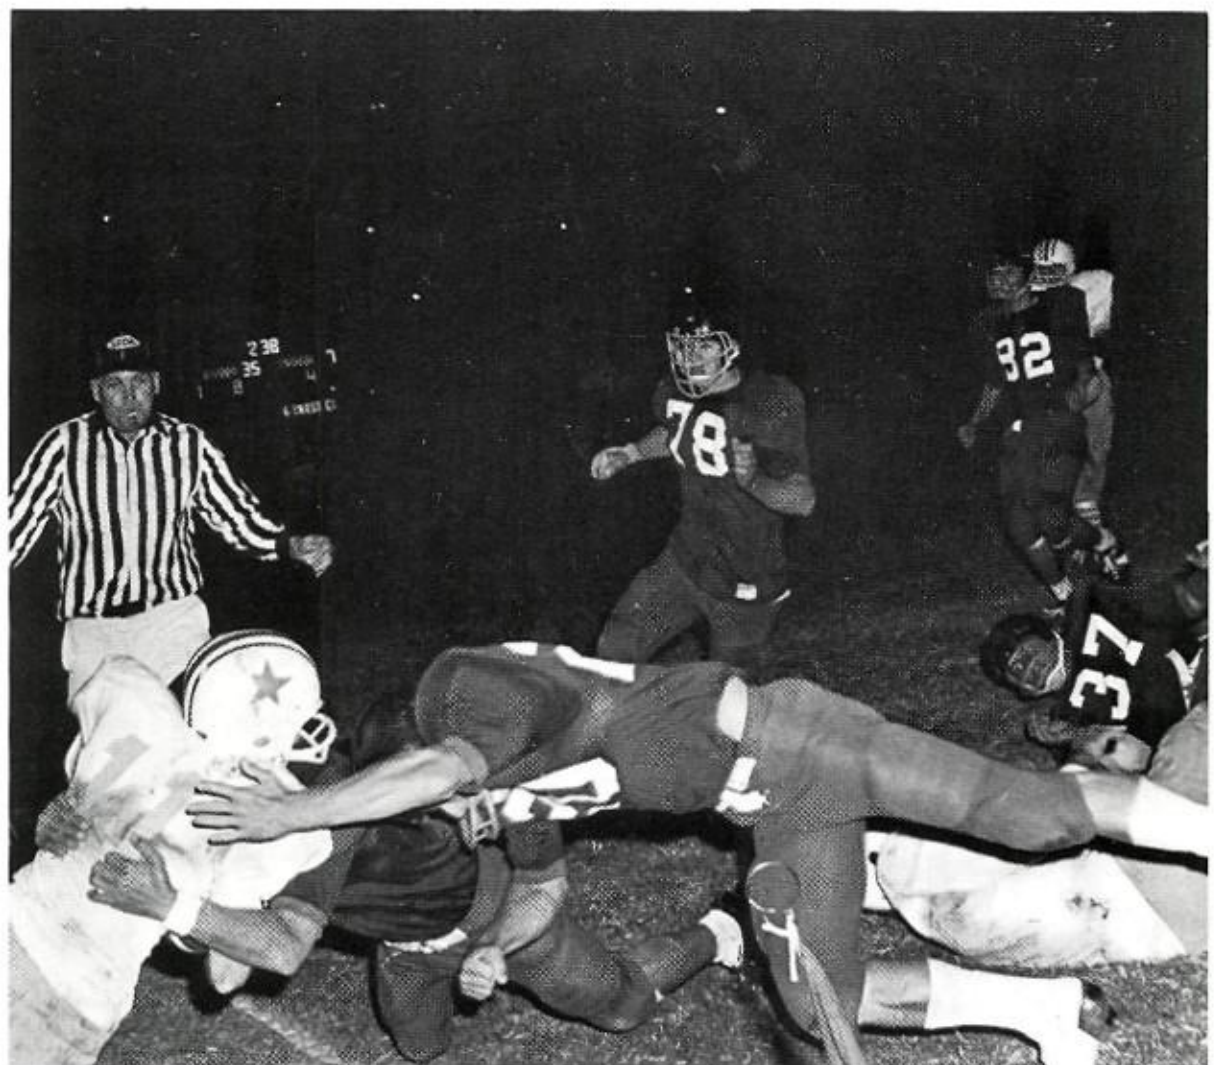

Carter smacked its chief rival, the Kimball Knights, with a fanciful triumph of 42-7 in Sprague Stadium. In our victory assembly the day after the game, Coach Todd said that "Kimball sent word to the football team calling them 'Carter babies.'" He then fired back with the statement that "if we're Carter babies, then we're running one heck of a nursery here." The unfavored Carter team went onto the field with the stimulation and determination to beat Kimball which accompanies winsome teams.

Steve Starnes roused Carter's win with a 76 yard touchdown pass from Janosko with 4:22 left in the initial half. Then Starnes broke for a 48 yard touchdown dash with 2:34 left in the second period. The final touchdown of the first half was made by Dennis Ladd as he intercepted a pass and ran it back for the touchdown. The score at halftime was 21-0, in Carter's favor.

In the third quarter, Ladd plunged for a 1-yard touchdown which lengthened the lead over the now weak Knights to 28-0. Late in the third period, Starnes again caught a pass which turned out to be a 64 yard touchdown pass. With only 6:24 left in the game, Kimball finally scored, not by offense, but by a fumble recovery in Carter's end zone by a Kimball defensive end. The final touchdown of the game was made with 2:34 showing on the clock by Bobbie Clark as he dove three yards across the goal line. Robert Acuff booted all 6 extra points for Carter. Our Cowboys deserved and received great recognition for their conquest over Kimball.

Outstanding players in the game were Steve Starnes, Bobby Clark, Dennis Ladd, Ken Janosko, David Bourquin, Harry Laird, Tim Cappelli, and George Shawver.

Cowboys Drop Finale, Still Place 2nd in Zone

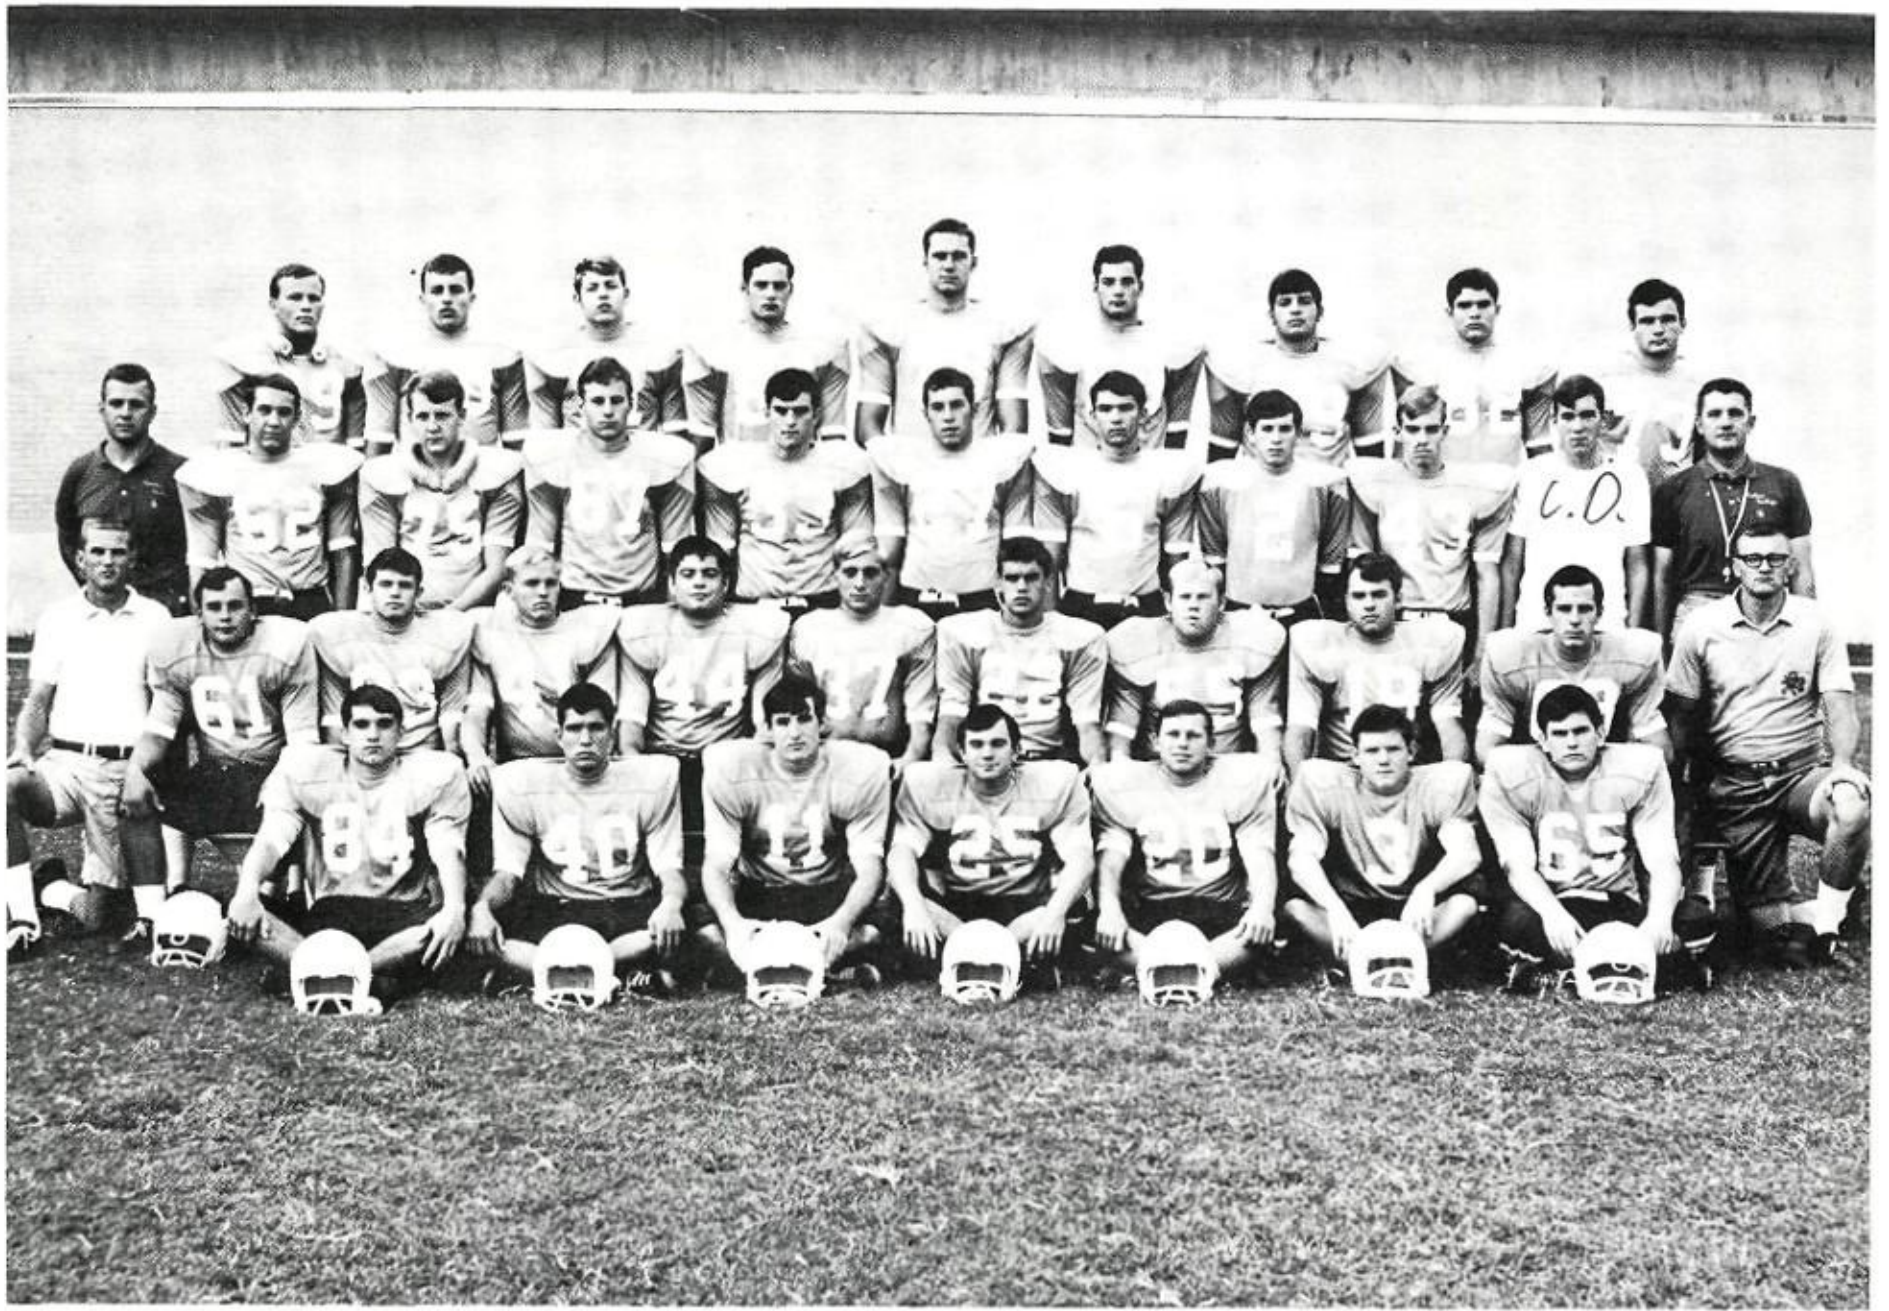

Carter ended a great 1968 season with a 5-3 record and a tie for second place in the south zone. Even though Woodrow Wilson upset Carter in our season finale, we're really proud of our Cowboys as they proved they are the greatest team ever.

Dennis Ladd proved to be the big ground gainer for Carter as he picked up 212 yards and two touchdowns for the night. In the first half of play, Woodrow scored the initial and third touchdowns. Carter's first score came on a 9-yard plunge by Bobby Clark. Robert Acuff scored his 1st of 2 conversions. In the 3rd period, Ladd scored from 13 yards out with 4:33 left on the clock. Early in the fourth period, Woodrow scored on 36 yard and 1 yard touchdowns. Carter came right back with a 1-yard dive by Ladd which climaxed a 77-yard drive. The final score came on an interception by Wilson late in the 4th quarter.

This game, dedicated to the '69 Seniors of Carter High, climaxed a rough season. There were four Cowboys to be selected for the all-zone team. They were Tim Cappelli, David Bourquin, Steve Starnes, and Kenneth Janosko, all of whom were chosen on the offensive team. They deserve outstanding recognition, as well as the rest of the '68 Cowboy Squad.

Fightin' Cowboys End Season in Good Standing

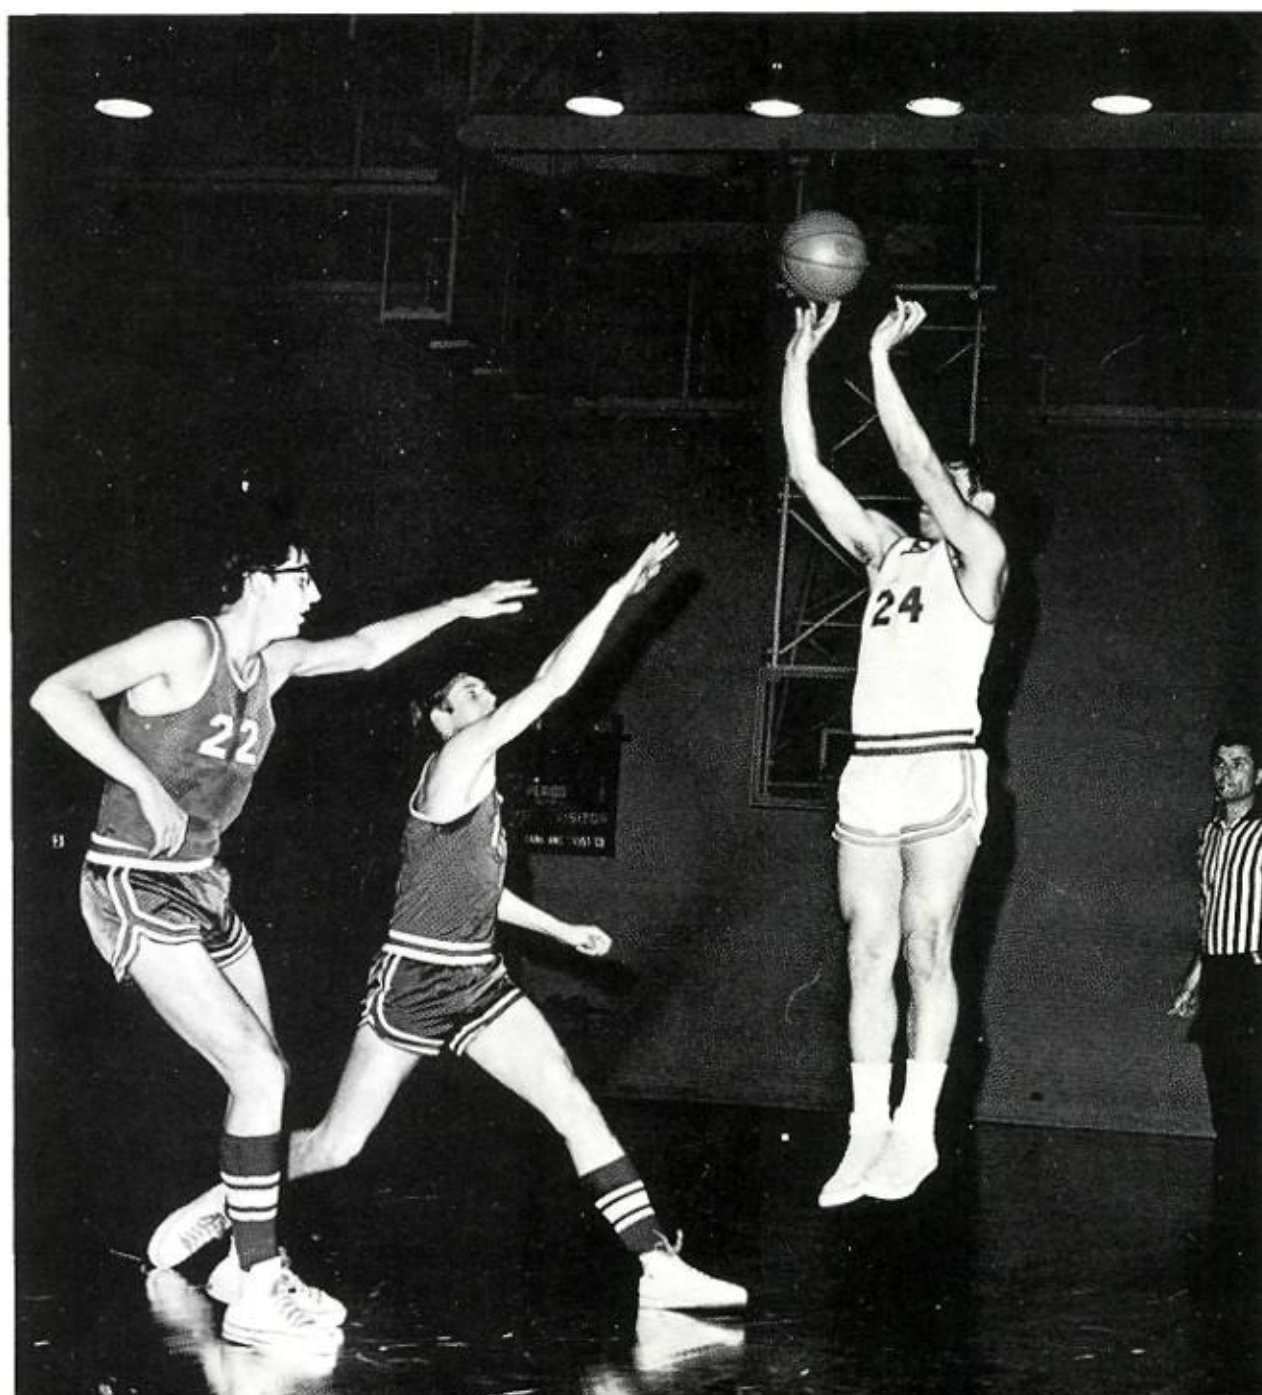

Our Cowboys ended their season schedule with an overall record of 10-21, including a 40-12 conference record. They wound up in a two way tie for fifth place in District 12-AAAA competition. Hustle and spirit were the prime factors of Carters' team in their '68-'69 season. They fought right down to the wire in every game. In the Waxahachie Tournament, Carter brought home a second place trophy, with Fil Thorn and Bobby Vetkoetter making the tournament All-Star Team. Vetkoetter also made the 12-AAAA district first team, honorable mention for the city, and third team All-Metro. The Carter basketball team deserves great recognition for its "fight" in quest for an outstanding season.
